Section 13:

Problem Solving and Critical Thinking

- Word puzzles
- Read carefully
- Use simple logic
- Some algebra (but avoidable)
- No trick questions
- Some general world knowledge
- Some questionable wording
- Explain “why” to give me flexibility

MT7 Results

- Those that took part in our Saturday MT7 session in Cheshire (9 of 12)
Great Job!
- An “A-” average

MT 7

- We'll now go over part 7 of the Connecticut Mastery Test using AppShare.
- This portion of our session will not be recorded
