6.041/6.431: Probabilistic Systems Analysis
(Fall 2002)

Quiz 1 Results

- Solutions to both 6.041 and 6.431 quizzes will be posted on the web page over the weekend.

- *Regrade Policy:* Students who feel there is an error in the grading of their quiz have until **Wednesday, October 16** to submit the regrade request to their TA. **Do not write anything at all on the exam booklet!** Instead attach a note on a separate piece of paper explaining the putative error. Any attempt to modify a quiz booklet is considered a serious breach of academic honesty. We photocopy a substantial fraction of the quizzes before they are returned, implying there exists a nonzero probability of us catching such a change. We also reserve the right to regrade the entire quiz, not just the problem with the putative error.
